

About Us

Rubicon Int'l Talent Exchange Pte Ltd (or RUBICON) is a company that successfully provides customised management, professional and technical staffing solutions to our clients. Our specialty lies in the recruitment of executives in the top to middle levels, and technologically strong individuals with expert skills.

As a recognised and regionally active executive search organisation, we target a carefully selected range of key industries, as well as functions that cuts horizontally across sectors, such as, General Management, Information Technology, Finance/Accounting/Audit, Human Resource, Communications and Logistics/Supply Chain.

We have, through our numerous engagements, wisely invested, constructed, grew and continuously update our business network as well as database wherein an intelligent platform for comprehensive and real-time research can be performed to efficiently augment the process for any assignment; thereby benefiting our clients with speed and accuracy in the fulfillment of their crucial requirements.
